

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE)	
APPLICATION OF THE FUEL ADJUSTMENT)	CASE NO.
CLAUSE OF BIG RIVERS ELECTRIC)	2018-00023
CORPORATION FROM MAY 1, 2017 THROUGH)	
OCTOBER 31, 2017)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 16, 2018, to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Big Rivers Electric Corporation ("Big Rivers") for the six-month period that ended on October 31, 2017. As part of this review, Big Rivers responded to two requests for information. The Commission held a formal hearing in this matter on April 18, 2018.

A review of Big Rivers' monthly FAC filings shows that the fuel cost billed for the six-month period under review ranged from a low of \$.021270 per kWh in May 2017 to a high of \$.023004 per kWh in September 2017, with a six-month average of \$.022528 per kWh.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence of improper calculation or application of Big Rivers' FAC charges or improper fuel procurement practices.

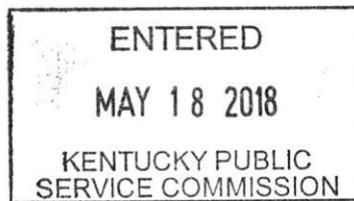

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by Big Rivers through its FAC for the period May 1, 2017, through October 31, 2017, are approved.

2. This case is closed and removed from the Commission's docket.
